## Centennial Celebrations

by Missy Buckingham, GCV First Vice President and  
Centennial Steering Committee Chairman  
The Boxwood Garden Club

Excitement about the Garden Club of Virginia Centennial continues to grow as our members across the state celebrate in their clubs and communities. The committee is finalizing plans for the Founders Day Centennial events May 12-14, 2020, in Richmond. Event ticket sales have been vigorous. Please remember to print your tickets and bring them with you to the events.

The Virginia Museum of History & Culture curator is preparing for the exhibition, "A Landscape Saved: The Garden Club of Virginia at 100," to feature the history and accomplishments of the GCV. The exhibition will have its grand opening to gala attendees on the evening of May 13 and will remain open at the museum until Sept. 6, 2020. (Ample parking is provided during all events at the Virginia Museum of History & Culture and the parking deck at the Virginia Museum of Fine Arts.) Creative arrangements will be featured at the museum during the events.

Centennial merchandise continues to be sold online, at the Kent-Valentine House and at select GCV events. Don't miss this opportunity to own a limited edition GCV commemorative Centennial item. 🌿
